# ABOUT OUR VENUE

## Brisbane Bayside's Newest Wedding Venue

Architecturally designed to complement its picturesque bushland setting, the Myhorizon Events Centre is the perfect wedding venue for the discerning bride and groom.

Completed in March 2017 to the highest building standards, our venue offers a variety of inviting indoor and outdoor spaces that blend seamlessly into the natural environment, delivering understated elegance at an affordable price in the heart of the stunning Redlands district, and only 30 minutes from Brisbane CBD.

## OUR ROOMS & SPACES

Perfect for Large or Intimate Events

The Deck area is a popular option for a reception or intimate ceremony. (Styling and decorations pictured can be arranged through our preferred styling supplier)

Our expansive **Forest View** Room offers gorgeous views of the Redlands' native botanical gardens and can host up to 100 people in banquet style. Combined with our appealing adjoining breakout spaces the Forest View Patio, Deck, and Courtyard, which together have capacity to host over 300 guests, it is the perfect venue for large wedding events.

Our **Rosella** and **Banksia** Rooms are an excellent alternative for more intimate events of fewer than 50

guests and offer the same spectacular bushland outlook.

All rooms come complete with high quality audio-visual technology including projector with huge screen, surround sound, and a fixed computer system – everything you need to ensure your wedding speeches, slideshows, photos and videos are seen and heard to your liking.

We also offer you early access to our rooms where possible.

## TESTIMONIALS

*"Once we booked our big day with Myhorizon it was nothing but a dream come true. The staff are absolutely amazing every step of the way. On the wedding day they made sure everything from the ceremony right through to the reception ran smoothly, to take the pressure off us. The backdrop of the bushland from Redlands Indigiscapes was just lovely for our ceremony and reception. We would definitely hold another event with Myhorizon and would recommend them to others."*
